BUILD YOUR PLAN

Using this guide and your ideas

WE RECOMMEND THESE STEPS

- Update your resume, incorporating summer, select activities, achievements, and class projects using our Job Prep Toolkit. To further customize your document, come meet with a Graduate Student Career Coach for a 20 minute appointment. Schedule in Handshake.
- Monitor and engage in internship recruiting activities through Handshake, such as employer information sessions, companies conducting interviews on campus, industry treks, career fairs, and preparation labs.
- Update your LinkedIn profile with new experiences and research SCU alumni career paths and companies of interest.
- Speak with a Peer Career Advisor to learn about Career Center services and to consider ways you can engage throughout your junior year.

NEXT, SELECT A FEW OF THE FOLLOWING BASED ON YOUR OWN JOURNEY AND INTERESTS:

Explore & build experience

- Gain clarity about your personality, career interests, and strengths by taking an assessment and exploring your results.
- Sign-up for an off-campus SCU Career Trek to meet with alumni and recruiters out in industry.
- Apply for select opportunities related to your career and academic interests including fellowships, leadership, internships, and jobs. Visit bit.ly/scucampusopps
- Connect with people and SCU alumni doing work that interests you and conduct informational interviews. The Networking & LinkedIn section of our online Job Prep Toolkit can help!
- Participate in a micro-internship and build skills and experience through paid short-term projects with companies locally and nationally. To search and apply, visit: https://info.parkerdewey.com/scu

Prepare your search strategy

- Attend one of our professional skill building labs to incorporate strategies into your current resume. See events calendar.
- Develop interviewing skills through SCU's 24/7 mock interview platform - Big Interview. Visit our Job Prep Toolkit.
- Research graduate school or long-term service programs.
- Meet with a Career Development Specialist for a 30 minute appointment to further develop your internship search strategy. Schedule through Handshake.

Find opportunities

- Launch an internship search in Handshake and other sites. Use filters like "Job Function" and "Industry" to narrow down your search.
- Attend one or more career fairs and expos to connect with internship opportunities at organizations that recruit at SCU.
- Looking for an opportunity outside of the Bay Area? Request Reciprocity on our website to get access to other schools' career resources closer to home.
