Students who are enrolled in the following approved online programs:

- Masters of Theological Studies
- Graduate Program in Pastoral Ministries
- Masters of Business Administration
- Masters of Science in Business Analytic
- Masters of Science in Finance and Analytics
- Master of Science in Marketing

May apply for a COVID exemption based on one of the following policies:

COVID-19 Vaccination Exemption Policy for Graduate Students in Online Programs

Graduate students who are enrolled in an online educational program may seek an exemption to the [University's vaccination requirement](#) if they attest to the Cowell Center that they will neither be on-campus nor use campus facilities. Should a student with an approved exemption visit the campus to use campus resources, participate in campus activities, or complete a residency requirement, the individual must comply with the vaccination requirement.

COVID-19 Vaccination Exemption Policy for Graduate Students who have Completed 90 Percent of Program Requirements

Graduate students who have completed at least 90 percent of their program requirements and are unvaccinated may seek an exemption to the [University's vaccination requirement](#) in order to complete their degree program if the remaining required courses are offered in an online format.

If you are in any of these programs, you must attest to the Cowell Center that you will neither be on-campus nor use campus facilities. Should a student with an approved exemption visit the campus to use campus resources, participate in campus activities, or complete a residency requirement, the individual must comply with the vaccination requirement.

To seek this exemption, graduate students should contact their respective college or school and ask them to email the Cowell Center at cowellcenter@scu.edu to verify their enrollment. To register the exemption, every student must complete the [University's COVID-19 Vaccination Exemption Attestation Form \(make a hyperlink\)](#) and upload it into their Cowell Center | My Student Health Portal [\(make a hyperlink\)](#).

Santa Clara University Graduate Program COVID-19 Vaccination Exemption Attestation Form

Effective March 2022

The Graduate School Policies

COVID-19 Vaccination Exemption Policy for Graduate Students in Online Programs

Graduate students who are enrolled in an online educational program may seek an exemption to the [University's vaccination requirement](#) if they attest to the Cowell Center that they will neither be on-campus nor use campus facilities. Should a student with an approved exemption visit the campus to use campus resources, participate in campus activities, or complete a residency requirement, the individual must comply with the vaccination requirement. To seek this exemption, graduate students should contact their respective college or school, which will work with the Cowell Center to register the exemption.

(This policy applies only to students who are enrolled in approved online programs: Masters of Theological Studies, Graduate Program in Pastoral Ministries, Masters of Business Administration, Masters of Science in Business Analytics, Masters of Science in Finance and Analytics, and Master of Science in Marketing.)

COVID-19 Vaccination Exemption Policy for Graduate Students who have Completed 90 Percent of Program Requirements

Graduate students who have completed at least 90 percent of their program requirements and are unvaccinated may seek an exemption to the [University's vaccination requirement](#) in order to complete their degree program if the remaining required courses are offered in an online format.

If you are in any of these programs, you must attest to the Cowell Center that you will neither be on-campus nor use campus facilities. Should a student with an approved exemption visit the campus to use campus resources, participate in campus activities, or complete a residency requirement, the individual must comply with the vaccination requirement. **To seek this exemption, graduate students should contact their respective college or school, which will work with the Cowell Center to register the exemption.**

First and Last Name (Please Print): _____

Student SCU ID#: _____

Date of Birth (MM/DD/YEAR): _____

Graduate Program: _____

Are you taking **online courses only** in one of the above mentioned programs? YES NO
