cordially invites you, your family, friends, and co-workers to

Volunteer with fellow SCU alumni at
St. Vincent de Paul in Oakland

Saturday, April 10, 2010
9:00 a.m. – 1 p.m.

St. Vincent de Paul is a non profit organization helping needy families in the East Bay. The Free Dining Room serves 1000 hot meals every single day. Their community center also includes a health clinic and drop-in resource center for job training.

We will helping to beautify the community center by painting some interior and exterior walls.

All paint and supplies will be provided – just put on some old clothes and join the fun!

Please volunteer early. Directions will be emailed to all volunteers.
