January 22, 2008

Apply for the chance to have an amazing learning experience for a four to six week time period with an international not for profit organization! We have globally-oriented internships available in Ethiopia, Guatemala, Indonesia, India, Nepal, Turkey, and the United States.

Student interns will take a 2-unit Spring quarter leadership course held on two Saturdays. In addition, there will be a 2-unit leadership course in the Fall quarter designed to deepen understanding of the internship and to present the experiences to the general SCU community.
