NOTICE	<p>In addition to completing the curriculum requirements of the University, College or School, and major program, you must also maintain an average of "C" (2.0) in both the major and minor subjects and your total course load. Further, all students must meet the residency requirement of a minimum of three quarters and 45 units at the Santa Clara Campus after achieving junior standing.</p> <p>The student bears the ultimate responsibility for taking the required courses. You should frequently check your requirements as described in the Undergraduate Bulletin or the Undergraduate Student Handbook for the year that you entered the University to be sure that you are taking the necessary classes. You will be prevented from graduating on time if any one of these requirements is neglected.</p>
