

Our office is currently considering fall internship applications – if you know of any strong candidates who will be in D.C. for the fall semester, please ask them to submit a cover letter, resume (including major and GPA), and one writing sample to me directly. They can e-mail me at geoffrey.browning@mail.house.gov or fax to (202) 225-8890 . We've had fantastic SCU interns in the past, and hope to have more this coming semester!

And as always, please feel free to contact me with any questions/concerns – same goes for interested applicants. I can be reached at (202) 225-8104. Thanks!
