

YouthBMain Contact: Al Morales

Site Name: YouthBuild San Jose

Email: alvaro@sjcccharterschool.org Site Location: San Jose, CA

Below are the descriptions of the VISTA positions that have been posted on the AmeriCorps website. Please check the box next to description (if have multiple VISTA positions, check all that apply) which match the positions you will have at your site.

- The **YouthBuild Green Project Leader** will position the local YouthBuild program to do one or more of the following: 1) Increase green construction by accessing information, material, funds, and expertise, through building partnerships and writing proposals. 2) Gain job placements for its graduates in weatherization and other green industries by accessing training, curricula, and partnerships. 3) Build a job-creating, revenue-generating green non-profit enterprise that can employ graduate and other community residents and undertake weatherization and green construction contracts in the community. 4) Generate young leaders equipped with knowledge to become community leaders on green issues. 5) Develop curriculum and training in all things GREEN. All information and training developed will be shared with all YouthBuild programs throughout California. 6) The VISTA volunteer will assist in the hiring of qualified GREEN Instructors.

Resumes and letters of interest to be sent to Al Morales via email at alvaro@sjcccharterschool.org or postal at 1534 Berger Dr, San Jose, CA 95112
