### Subscription Agreement:

Catalán Laughing Onion Farm commits to doing its best to grow a variety of crops. Boxes will be delivered to campus and available in the Sobrato Hall lobby every other Wednesday. They generally arrive between 3:00 PM and 5:30 PM. Subscribers must pick up their box by the following Thursday afternoon or it will be donated.

I understand that there is no guarantee as to the exact amount of produce I will receive. I understand that the vegetable varieties change due to changes in the weather and pest outbreaks. It is my responsibility to pick up my share unless another arrangement is made. If I am unable to pick up a box, I agree to provide notification by Tuesday before 10 AM to 554-5013, and I will receive credit for another week.

Although the Arrupe Partnerships at Santa Clara University supports this program and agrees to coordinate its activities, I also understand that the University shall not be liable to the participants for any damages or dissatisfaction. As a participant, I acknowledge this disclaimer by signing below and waive all claims against Santa Clara University.
