

Alternative Energy: The Future Is Now

A panel discussion on the directions-and challenges-of alternative energy highlighting Silicon Valley-Israel high-tech cooperation

When/Where

January 29, 2009,
6-8 pm
Saint Clare Room
(3rd Fl)

Harrington Learning Commons
Sobrato Technology Center
Orradre Library

Light refreshments provided

Sponsors

- Santa Clara University (SCU)
Jewish Student Union
- Hillel of Silicon Valley
- SCU Center for Science,
Technology and Society
- University Library
- SCU School of Engineering
- SCU Leavey School of Business
- SCU Environmental Studies
Institute
- SCU Associated Students

**Have alternative-energy solutions reached a tipping point?
Or will plummeting oil prices and bailouts swamp the way forward?
The panelists share visions and technologies that will shape the future.**
