Subject: Request for list of faculty publications related to Competence, Conscience, Compassion
(for WASC self study)

Dear Colleagues,

On behalf of the WASC sub-committee on Competence, Conscience & Compassion, Cynthia Mertens and I would like to request from SCU faculty a list of your publications or creative products relating to the following: (1) conscience or compassion; (2) the integration of competence, conscience, and compassion; or (3) pedagogical practices relating to competence, conscience and compassion. Please provide full bibliographic information, and indicate into which category the publication/product falls.

This information will assist the sub-committee in drafting its "Capacity and Preparatory Report" for WASC. We would appreciate receiving this information by May 9.

Please send your response to our Groupwise WASC email address, wasc@scu.edu.

An update on the progress of the WASC self study as a whole is forthcoming. Please feel free to visit our WASC website, www.scu.edu/wasc

Thank you. We appreciate your assistance.
