Subject: WASC Institutional Proposal posted on website

Dear Colleagues in the Santa Clara University Community,

On behalf on the WASC Steering Committee and Subcommittees I would like to thank you for your feedback on Santa Clara's Institutional Proposal for the WASC self study. We received a number of important suggestions from faculty, staff, and students during the feedback period in early May.

The revised version of the proposal was delivered to the WASC office on May 15. The Institutional Proposal has now been posed on our website, www.scu.edu/wasc.

A conference call has been scheduled with our WASC Proposal Review Committee for late June, and we'll receive a written response to our Proposal in the fall.

We thank you for your involvement with the reaccreditation project, and we look forward to your ongoing participation as we move toward our Capacity and Preparatory Review (fall 2009) and our Educational Effectiveness Review (spring 2011).

Sincerely,

Diane Jonte-Pace
