Subject: WASC reaccreditation update

Dear Faculty and Staff,

I'm writing with an update on Santa Clara's self-study for reaccreditation by the Western Association of Schools and Colleges (WASC).

I invite you to read a set of powerpoint slides summarizing our progress posted at http://www.scu.edu/wasc/upload/WASC-Update-Admin-Leaders4_28_08Revised.pdf
This is a presentation I delivered in late April to a group of colleagues and administrators on campus.

As you'll see from the powerpoint slides, the WASC committees are currently drafting our Capacity and Preparatory Review (CPR) Report. We are grateful for the information and assistance that you and your offices have provided in response to our requests this year as we gathered materials for the report. We'll be contacting you during the 2008-09 academic year to request your feedback on a draft of the CPR Report, and we'll be asking for your assistance and participation in Fall 2009 during our reaccreditation site visit.

For additional information on our WASC self study process, please see www.scu.edu/wasc.

Thank you.
