12 pm

Saturday
May 9, 2009

Commons at
Kennedy
Mall

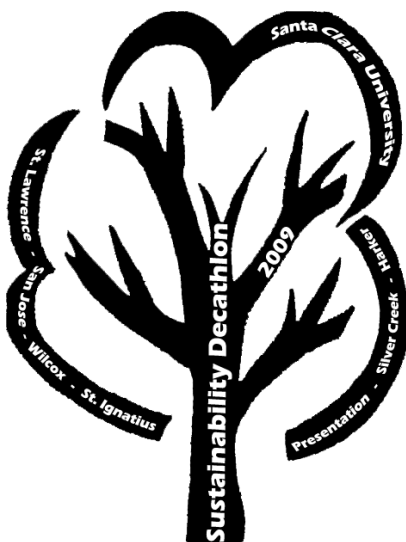

Decathlon Categories

- Connections with the natural environment
- Communication via technology
- Developing Sustainable Habits
- Regional/Global Connections
- Interpersonal communication
- Education & Leadership
- Science & Technology
- Social responsibility
- Food & Agriculture
- Conservation

Teams from seven Bay Area high schools competing in the Sustainability Decathlon will present their efforts to expand environmental education, conservation, and social responsibility at their schools.

This event is held in collaboration with the Undergraduate Science & Engineering Symposium

Join us for the celebration, and stay for a tour of the 2007 SCU Solar Decathlon House.

Participating Schools

The Harker School | San Jose High School
