

## How to Print Double-Sided on the Black and White Dell 5310 Printer in Mac OS X

1. In your application, click **Print** to bring up the options.
2. Select your printer; in our example we are selecting the Library Upper Info Commons B&W printer.

3. Drop down the **Copies & Pages** menu to select **Layout**.
4. From there simply select **Long-edge binding** from the **Two-Sided** menu

5. Click the **Print** button to send your job to the printer.
