

## Purpose

This brochure is provided to students, staff, faculty and associates of Santa Clara University who are interested in purchasing sweatshop-free clothing and promotional items.

As part of a Jesuit, Catholic institution, we have an obligation to be a leader in promoting justice, equity and human rights through purchasing from reputable companies that invest in social welfare.

The information contained herein is a sampling of popular vendors and is not meant to be a complete listing, nor can we guarantee the practices of any particular organization. Our goal is to emphasize the importance of acting in accordance with our social values and promoting a spirit of social justice.

If you believe this list should be modified in any way, please contact Santa Clara Community Action Program's (SCCAP) Labor Action Committee at: 408.554.4182

## More Information

If you are interested in learning more about sweatshop-free companies and issues, the following resources offer a wealth of information:

**Co-Op America**
