SCHOLARLY CONSULTING

1. PBS Documentary
Four part documentary "The Progressives" for Bill Moyers's company Thirteen Productions for PBS. Contributions earning screen credit include extensive consulting (via mailing of documents and reports, email, and conference calling) over a ten-month period totaling approximately 60 hours, including correspondence with Bill Moyers and Emmy award-winning producer Chauna Gazit, plus six hours of taped interviews in New York (all expenses paid) in 2007. Work in 2008 included a one hour meeting with Bill Moyers, and 40 hours of additional consulting (including creation of an 11 page document with 9 attachments). Series was to be broadcast nationally and available via DVD and on the PBS website. However this series, to my great disappointment, has never come to light, as Bill Moyers got too busy with *Bill Moyers Journal* and now *Moyers and Company*.
2. Brief of *Amicus Curiae* for U.S. Supreme Court Case
One of seventeen Constitutional/Legal scholars to serve as *amici* in *Khaled A.F. Al Odah, et. al., v. United States of America, et. al.*, in the Supreme Court of the United States, October Term, 2007.
3. Environmental Justice expert for the California Breast Cancer Research Program (CBCRP), the largest state-funded research effort in the nation. Invited to participate 15 October 2007.
4. One of 17 Constitutional/Legal scholars to contribute to Brief of *Amicus Curiae* for U.S. Court

of Appeals for the District of Columbia Circuit, JAMAL KIYEMBA, Next Friend, et al., Petitioners-Appellees, v. GEORGE W. BUSH, President of the United States, et al., Respondents-Appellants. Argued 24 November 2008.

5. Founding-era scholars' amicus brief in the Supreme Court case *al Marri v. Spagone*, raising the question of the government's authority to detain as an "enemy combatant" a non-citizen lawfully in the United States at the time of his arrest. Filed 28 January 2009.
