

Create an Academic Plan

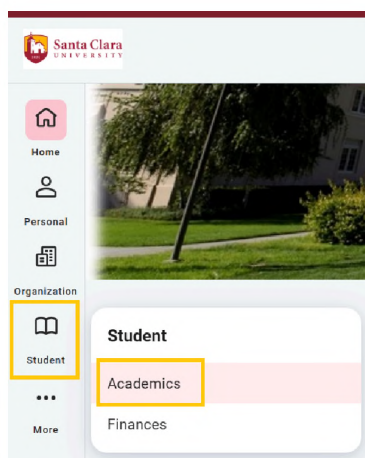

Overview

This quick reference guide offers an overview for students on how to create an academic plan. Keep in mind that this is a foundational plan, and it's essential to refer to your Academic Progress Report to ensure you meet all degree requirements. You can update your plan at any time.

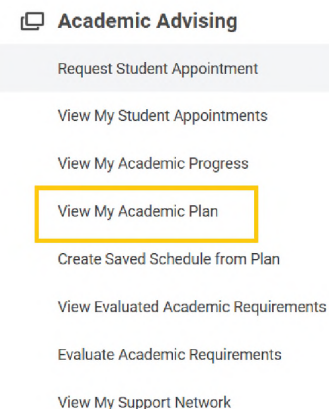

Note: An academic plan can only be created if you have not applied for program completion.

Process: Create an Academic Plan

1. From the home screen, click on **Student** on the left sidebar menu and then **Academics**. The **Academics** dashboard provides links and information about your academic record.

2. Under the **Academic Advising** Section, click **View My Academic Plan**.

3. Click on the button **Create My Academic Plan**

View My Academic Plan

Create My Academic Plan

4. A prompt will appear with your major populated in the **Program of Study** field. Leave the **Academic Plan Template** field blank. Click **OK**.
