- Super Auto Pets
These modules are created to help students prepare for experiential learning and resources outside of the classroom. Modules include:

- **Comevo**: This module will assist students with:
  - Learning what it means to be a part of our diverse and inclusive community rooted in the Jesuit tradition.
  - Becoming familiar with the academic and support resources that are here to help you thrive in and out of the classroom.
  - Reviewing the set of requirements that are part of your Orientation experience.

- **Being a Bronco Series**: A hybrid series designed to transition new students into the community.

**More information will be provided on these items via email in mid/late July.**
