  - Verification
- Award, Report, and Disburse Aid

# The Financial Aid Process So Far

- **Steps So Far:**
  - Students filled out FAFSA and CSS Profile
    - CSS Profile only submitted for first year, after that only the FAFSA needs to be submitted
  - Government calculated an expected family contribution (EFC) based on the FAFSA
    - **Federal Need Analysis Formula** uses: income, assets, savings, state of residency, number attending college, taxes, other mandatory living expenses
    - EFC = Not amount family is going to pay nor the amount of aid a student will receive, but really an index used to determine federal aid eligibility for programs like the Pell Grant and Federal Work Study
  - Financial aid package then processed to include all available aid
    - SCU grants and scholarships
    - Federal and state aid eligibility based on the FAFSA/EFC each year
  - Students received their financial aid offer letters
How to Access the Offer Letter

1) Students will receive a Financial Aid Offer Letter in their Slate portal
2) To accept/decline their offers, students need to log into their eCampus ([www.scu.edu/ecampus](http://www.scu.edu/ecampus)) & click the “Financial Aid” tile
