Not every day of your college experience will be spent on campus. Travel up and down Silicon Valley and the San Francisco Bay Area for internships, mentoring, jobs, and volunteer opportunities. Explore the coasts and its beaches, climb, hike, bike, and run. Visit the historic districts and storied venues of downtown San Francisco. Catch a San Francisco 49ers, Golden State Warriors, San Francisco Giants, or San Jose Sharks game. And wherever you’re headed, it’s just a bike, bus, cab, rail, or shuttle ride away.

It’s Good to be a Bronco. We have a return rate envied by universities around the country. And it’s due to the courses we offer, experiences available outside of our curriculum, and the sense of community you’ll feel from your first day at Santa Clara. We challenge students, creating learning experiences that last a lifetime.
Intellectual Curiosity. We believe learning doesn’t start or even end in the classroom. It continues in corridors, labs, neighboring communities, and residence halls. Here you’ll be pushed to put theory to practice—something we call experiential learning. We’ll prepare you for that dream internship, job, or graduate program.
