One credit of field education comprises 45 hours. Each student will undertake 35 hours of supervised praxis-based ministry at a field education site. The field education theological reflection course assignment will equate to 10 hours.

### **1. Ministry Responsibilities at the Site and Frequency of Hours:**

Please provide a brief description of your planned ministry activities.

### **2. Field Placement Learning Goals:**

Please provide answers to the following prompts:

- a. What are your concrete learning goals for this practicum experience?
- b. How do you plan to reach these goals? What roles, tasks, and/or activities will help you to do this?
- c. What ministerial skills do you intend to develop and/or enhance? (To help you write this, please see the “Ministerial Skills” document, shared via Google Drive.)
- d. What theological issues or questions do you wish to explore during your field education practicum? (Please see the “Theological Reflection Skills” described in the “Ministerial Skills” document.)
- e. What are your plans for self-care during the Field Education Practicum?

### **3. Frequency of Supervision:**

Each student is requested to meet for four hours with his/her field education site supervisor as part of the 35 hours of supervised praxis-based ministry. The meetings could be scheduled weekly, or bi-weekly, or monthly and at a length to be determined by the student and supervisor, for example, thirty or sixty-minutes. A student may meet with his/her supervisor in-person or by telephone or videoconference.

- a. Please describe the supervision arrangements you have made with your prospective supervisor.
- b. In what ways do you plan to engage with your supervisor and reflect on your ministry?

### **4. Scheduling of Theological Reflection Session:**

If you are planning to participate in a theological reflection session, please indicate your availability for an 80-minute meeting time slot, e.g., Wednesday, from 12:40-2:00 p.m. Please also indicate any preferred dates.

*Students will receive a scanned copy of the FE-2151 form; the original with attachments will be retained in their academic file. A copy of the original and attachments will also be kept on file by the DMF.*
