

JST Transfer Credit Policies for transfer of credits from other institutions toward the fulfillment of degree requirements at JST: A student who has taken graduate courses in theology not longer than six years prior to matriculation may petition for advanced placement. This should normally be included in the admission materials. No units will be transferred which have already been counted toward another degree. No units will be considered for transfer which are not from accredited institutions of higher learning or were not attained at a graduate level. (See the relevant Degree Handbook for additional information about transfer credit and advanced standing, including information about maximum allowable limits in each degree program.)

Transcript records: Courses to be transferred must also appear on official transcripts from the institutions where they were taken. If these transcripts are not already on file in the JST Academic Dean's Office, you will be asked to provide them.

Additional records: **Incoming M.Div.** students who wish advanced standing in the program should supply the following, in addition to transcript records: (1) A syllabus or description of the content of each course for which you are requesting advanced standing; and (2) a description of your background in theology prior to taking these courses. (Students in other programs may be asked to supply this information as well.)

STUDENT CERTIFICATION:

I have taken the above graduate level courses in theology which I would like to have placed on my JST transcript and counted toward the above degree program. These courses have not been applied toward another degree program. I understand that the appropriate school officials will evaluate this petition and decide which courses will be placed on my JST transcript, and what, if any, requirements of the above degree program will be waived.
