The Mission of Arte de Lágrimas

At Arte de Lágrimas we use art children make at the border to tell the human story of the refugee youth at the Texas-Mexico border. Since its inception, Arte de Lágrimas has brought exhibitions of refugee art to churches, universities, and theological schools across the United States. Arte de Lágrimas is much more than a collection of drawings or pieces of art from asylum seekers. It is the story of those who have been kept at the margins, othered, and vilified for too long. It is a call to action for everyone with a conscience to see, hear, and feel the stories of those who often are not given a chance to speak for themselves.
