Deadlines Before, During and After Orientation

Due in December:

- Log into eCampus at ecampus.scu.edu and update your profile, password and contact information, retrieve your gmail password, read and accept the online agreements, manage housing, and access financial aid. For tutorials on working with the tiles in eCampus, click here.

- Log into your SCU Gmail Account (@scu.edu), using the password found on eCampus. Sign into eCampus, then from the student tab, select the tile that says “Profile,” and then select "SCU Electronic Info." There you will see your SCU Gmail login name and password. Once logged in, change your password. Begin to check this account regularly.

- If needed, apply for disability accommodations with the Office of Accessible Education.

- WAIVE or ENROLL in the SCU Student Health Insurance Plan.

- Complete Photo Directory Authorization Form and the Media Consent Form.

- Review the Orientation Schedule.

- Check out the GTU course schedule for potential courses you would like to take. Indicate the school year, 201920, and Spring semester. If you wish to see only JST classes, you can select “Jesuit School of Theology” under “Campus.”

Due in January before you arrive for Orientation:

- January 2, receive anticipated billing for Spring 2020 semester, sent to your scu.edu email account.

- Upload your photo for your SCU ID card through Blackboard at the link provided by the SCU ACCESS office by Friday, January 10. This email will be sent to your @scu.edu account from onlinephoto@blackboard.com in December. In order for your photo to be accepted, please follow the photo guidelines, https://www.scu.edu/access/online-photo-submission/. Contact melamb@scu.edu for questions about the acceptability of your photo or access@scu.edu if you need a new link. Be sure to indicate that you are from JST.

- By January 21, pay first bill. If you wish to enroll in an online monthly payment plan, do so by this date. Also, complete all your financial aid requirements prior to this deadline in order to avoid late fees and holds.
□ Diandra Erickson, GTU Director of Digital Learning, will send you an email with your login information for Moodle from moodle@gtu.edu. Login and change your password by January 27.

□ In December you will receive an email from the Associate Dean’s office naming your advisor. Please email your advisor before Orientation to set up a meeting Monday afternoon, January 27, to choose your courses for the fall.

Steps to complete during and after Orientation:

□ Arrive for Orientation on Monday, January 27.

□ Set up wireless access at JST on your technology devices, as needed.

□ Meet with your Academic Advisor on Monday, January 27, to confirm course selections.

□ Register for classes on Tuesday, January 28, during orientation session with Registrar.

□ After you receive your SCU ID card and enroll for class, take the card to the registrar for the fall semester sticker, then to the GTU library, to receive your library card barcode. Your SCU ID card can then be used as your GTU Library card.

□ REGISTER FOR CLASSES BY 5PM FRIDAY (January 31)!

□ Receive updated bill on February 1, sent to your scu.edu email account, reflecting your actual course registration.

□ Fill out Orientation Survey by Friday, February 7.

□ You are invited to attend the Mass of Gathering and Welcome Back Dinner on Friday, February 7, 5:15 p.m.

□ Final day to WAIVE or ENROLL in the SCU Student Health Insurance Plan, Friday, February 7.

□ Add/drop period ends on Friday, February 14; final registration must be completed.

□ Complete Santa Clara University’s mandatory online training on preventing Gender-Based Discrimination and Sexual Misconduct in the school community. You will receive an e-mail about this from the Assistant Dean of Students, Paul Kircher (for more information, see www.scu.edu/title-ix/about). Deadline to finish the first training: February 14.

□ Pay updated bill by February 21. For those on a payment plan, this is the second installment.

JST vs. GTU vs. SCU: What’s the difference?!

As a student of the Jesuit School of Theology, you are also a Santa Clara University student and a member of the Graduate Theological Union. It can be challenging at first to delineate which resources and student services pertain to these different entities. The following is a brief sketch of the resources associated with each:

**Jesuit School of Theology of Santa Clara University (JST):** JST is a graduate school and a branch campus of Santa Clara University. It is also a member school of the Graduate Theological Union in Berkeley. JST is your home school within the university and the GTU consortium. Your academic advisor and your primary school administrators are at JST; financial aid is managed by JST in coordination with SCU Financial Aid. JST is also the center of your communal and liturgical life.

**Graduate Theological Union (GTU):** The GTU is a consortium of eight schools located in or near Berkeley. You will take most of your courses at the Jesuit School of Theology or other member schools of the GTU. MOODLE is the GTU platform for course management that you will use for most courses.

**Santa Clara University (SCU):** The main campus of SCU is located in Santa Clara, California (an hour south of Berkeley without traffic). SCU administers student health insurance, the on-campus student employment payroll, international student services, disability resources, and other resources that you will learn about at orientation. **Your SCU ID card has your SCU Student ID number on it** and is used for Santa Clara University purposes, such as accessing the SCU library, SCU recreational facilities, and other SCU services. Your SCU ID Card will also have your GTU library card barcode on the front, and so will function as your GTU Library card. Your main online portal as an SCU student is eCampus. Google (scu.edu/login) is your e-mail management application as a JST student.
Logins and Technology

See Quick Guide to Portals and Logins (following page) for a chart of all logins and more detailed instructions on getting started.

**eCampus** ([ecampus.scu.edu](http://ecampus.scu.edu)) is your Santa Clara University online student portal, where you can access your SCU Gmail login name and original password, enter your emergency contact information, update your address, search and register for classes, manage housing, access financial aid information, pay bills and complete timesheets if you are a student employee. See eCampus Navigation. You should have received an e-mail from JSTAdmissions@scu.edu in November with your login (which is “W” + the last 7 digits of your SCU student ID) and initial password to eCampus. The password must be changed within a month of receiving this email. If you did not receive or save this e-mail, check with Mary Beth Lamb, melamb@scu.edu.

**SCU Gmail Email Address** ([scu.edu/login](http://scu.edu/login)) is your student email address. Be sure to check your school Gmail frequently!

**Moodle:** ([moodle.gtu.edu](http://moodle.gtu.edu)) is the learning management system used by GTU for course-related activity, including digital documents, assignment submission, and threaded discussions.

**JST computers:** The user ID and password to your SCU Gmail address are also your Network ID and password, which you need to log into any computer at JST (classroom and presentation laptops and desktops in Montserrat Lounge or at a workstation).

**Wireless Access at JST and GTU:** Wireless is available to you throughout the GTU campus. You can install the wireless access to JST yourself, following these instructions under the tab “wi-fi network for students.” If you have difficulty with this, you can bring your device(s) to the JST Front Desk (for access at JST) to have it installed for you. The following table indicates where to go for access information at each of the member schools and the GTU library.

ID and Library Cards (GTU, SCU, CAL)

Your SCU ID card is also your GTU library card. You will receive your ID/library card during Orientation week or shortly thereafter.

**GTU Library:** Once you have registered for your classes, visit Jim Oberhausen in Room 220E to obtain a semester validation sticker for your SCU ID card. Each semester you are enrolled in classes, you will need to visit Jim’s office to obtain a new sticker to activate your card. The SCU ID card serves as a library card. The first time you check out a book, the GTU library front desk will put on a bar code. For information on how to use the library’s resources, click here. For information on workshops the library offers in Zotero, archival research, making effective presentations and more, click here.

**SCU Library:** You will receive an email when your SCU ID card is ready for pickup in Mary Beth Lamb’s office (#107). To use library resources remotely or to check your SCU library account, log into your MySCU portal and you will automatically be authenticated into the library.

**UC Berkeley Library:** As a GTU student, you also have access to the CAL libraries. Take your SCU ID (with the current semester’s validation sticker) to the Privileges Desk on the 1st floor of Doe library at CAL to get a library card. (Privileges Desk hours) When you have the card, you’ll be able to check out materials and use CAL’s many libraries. You’ll also have on-campus access to their electronic resources such as articles and e-books. You must reapply every semester after you have the current semester’s validation sticker. Only GTU cross-registered students (taking CAL classes) have remote access to CAL’s electronic resources. You would then have to get a CAL student ID which allows you to log in remotely.
Transfer of Credits

A student who has taken graduate courses in theology no longer than six years prior to matriculation may petition for advanced placement. To learn more, see the Petition to Transfer Coursework Form under the Forms tab on the Office of the Registrar webpage. Questions about forms may be directed to Mey Saechao, msaechao@scu.edu. Questions about whether a course can be transferred to your degree should be directed to your program director.

Course Selection and Registration

Registering for classes:
A step-by-step guide follows on how to register in your eCampus portal. After you meet with your advisor on Monday of Orientation, everyone will register as a group on Tuesday. Later you will be able to go back into eCampus and adjust your registration if you change your mind.

Pre-Registration checklist:
- Look up your program requirements prior to meeting with your advisor. For information on your degree requirements, visit the Office of the Registrar page of the JST website.
- Under the Forms tab of this page, find Program-Specific Worksheets that will serve as a guide for you and your advisor to ensure you meet your degree requirements each semester.
- Look up the Online Course Schedule prior to meeting with your advisor. Have some ideas about what you might take based on the requirements for your degree.
- Arrange a meeting with your advisor. Prior to orientation, you will receive an email from the Associate Dean’s office naming your advisor. You can email them before Orientation to set up a meeting during Monday of Orientation Week. If you do not connect beforehand, you can set up a meeting on Monday.
- Check if any of your courses require the instructor’s consent. If so, email the instructor with your name and your degree program. Tell the instructor you would like to take the course. The instructor will email you back letting you know if s/he consents and if so, will let you know that you can now register for the course. The list of GTU instructors and their email addresses can be found here.
- Select your health insurance option.
- Check to see if you have any holds on your account.

After completing the above steps, you are ready to register! See The Quick Reference Guide to Manage Classes – and pay attention during Orientation – for a successful experience registering.
How to Register for Classes

(Note: All students will register together in the Registration session on Tuesday, January 28. The Registrar will facilitate this session and guide you in the registration process.)

1) Find the course schedule here: https://www.g tusonis.net/genSRsC.cfm
   - At the top, sort by “school year” and “semester”. Sort by “campus” if you want to look at one particular school’s courses.
   - Click on the course name to read the course description and notes. If a course requires the instructor’s permission, email the instructor and get his/her permission first, and then register. (To find an instructor’s email address, visit the website of that instructor’s school, e.g. https://www.scu.edu/jst/about/people-of-jst/faculty for JST, or www.psr.edu for Pacific School of Religion.)
   - You will actually be registering for your courses in eCampus. So, when choosing your courses from this GTU course schedule, write down the course numbers and titles.
   - Be sure that you have already contacted your advisor ahead of time to talk about your courses. (Most students did this already last semester during Advising Week.) Your advisor will need to remove the advisor hold in eCampus before you can register.

2) When you are ready to register, go to https://ecampus.scu.edu and sign in.
   - Remember that your User ID is a “W” plus the last seven digits of your SCU ID number. (You can find that on your SCU ID card.) So, for example, if your SCU ID is “00001234567”, then your eCampus User ID would be “W1234657”. If you’ve forgotten your password, you’ll need to request a new one by clicking on “Forget Your Password?”

3) Once you’ve signed in, before you do anything else, click on the “Tasks” tile to view and clear up any tasks or holds. (Everyone will have “Online Agreements” to take care of first of all. And you may have other tasks/holds as well.) You may not be able to register until these are cleared.

4) To register (after you have checked “Tasks”), go back to the home screen of eCampus, and click on the “SCU Manage Classes” tile.
   - Select the Term you want to register for (in this case, Spring 2020), then click on “Continue”.
   - This will take you to the screen “1. Select classes to add”. Make sure it says “Spring 2020/Jesuit School of Theology/Santa Clara University”. (If it doesn’t, then select “Change Term” and choose the correct term.) Then, near the bottom, under “Find Classes”, click on “Search”.
   - This will bring up a search menu. Ignore the first two search boxes, and click on the third box entitled “Course Career”. Choose “Jesuit School of Theology”. Then click on “search” again. This will bring up a warning that your search will return over 50 classes. Click “OK”. The Search Results will show a list of ALL the courses of JST and the other GTU schools (all the courses which are on the original GTU course schedule that you used to choose your courses).
- On the list, you’ll find the course numbers and titles (in brown) – the courses are in alpha/numeric order. Refer now to the list you made of the courses you want for the semester, and look for them on this list. You will choose your courses here one at a time, by clicking on “Select” next to the course information.

- When you click on “Select”, it will go to a screen showing the course you’ve chosen. Check that everything looks correct: the grading mode and the number of units. For courses where you have an option to change the grading mode (to pass/no pass; or audit) or the number of units, there will be drop-down boxes where you can change the setting. When everything is correct for that course, click on “Next”. This will add it to your “Shopping Cart”.

- To add another course, click on “search” again, choose the “Course Career” (JST), and “search”. Click “OK”. (You will use this same procedure for each course you want to add.) Choose your next course, make sure it looks correct, and choose “Next” – which will add it to your shopping cart. These courses are still only in your shopping cart, they are not yet registered.

- When you have completed choosing all your courses, and they are in your shopping cart, then click on “Proceed to Step 2 of 3”. This will bring you to “2. Confirm classes”. Review again and when satisfied, click on “Finish Enrolling”. This will bring you to a screen of your enrollment results. If there is a Green check mark next to your course, you are enrolled. If there is a red “X”, click on the word “error” to find out what your error is, and fix it. (For example, an error might say that two of your courses have a time conflict.)

- Congratulations! You are registered! You have until the end of the second week of classes (this year, Friday, February 14) to make any changes to your schedule. You can “drop” a course, “swap” (drop one and add another in its place), or “edit” a course’s characteristics (like the number of units, or the grade mode). To make changes, go to the top of the enroll screen, under your name, and look for these options: “My Class Schedule; Add; Drop; Swap; Edit; Term Information” and choose one. Note that you can only make any changes to your course or schedule now that you have moved your courses out of your Shopping Cart by clicking “Finish Enrolling”.

Instructions for Special Courses:

1) SPECIAL READING COURSES - If you want to create a Special Reading Course with an instructor, you will need to register in eCampus for the course “SRC 9999” (follow the same procedure as you did above for your other courses). Then fill out the SRC 9999 form with your instructor, have your advisor sign it, and turn it in to the Associate Dean’s office no later than Friday afternoon of the FIRST WEEK of classes (Feb. 7). Special Reading Courses will not be accepted after February 7.

2) UPGRADING A COURSE - If you want to UPGRADE a Lower Level course to the Advanced Level, you will need to register in eCampus for the original lower level course (NOT “SRC 8888”!). Then fill out the SRC 8888 form with your instructor, have your advisor sign it, and turn it in to the Associate Dean’s office no later than Friday afternoon of the FIRST WEEK of classes (Feb. 7). Upgrades will not be accepted after February 7.

3) CROSS-REGISTRATION FOR A UC BERKELEY COURSE - If you want to cross-register at UC Berkeley, you will need to register in eCampus for “UCB 9000”. Then come to the registrar’s office to pick up the special UCB cross-registration form, fill it out, and get it signed by all parties.
Submit a copy to the JST registrar, and turn in the original form to the GTU registrar (who will facilitate the actual enrollment with UCB) no later than Friday afternoon of the FIRST WEEK of classes (Feb. 7).

Moodle Orientation

What is Moodle?

Moodle is the learning management system used by the GTU consortium for any online course-related activity, including digital documents, assignment submission, and threaded discussions. Fully online courses occur in Moodle.

Your First Time on Moodle

Visit http://moodle.gtu.edu. On the right-hand side of the screen, log in with your username/SCU e-mail address and the temporary password provided to you by the GTU Director of Digital Learning, Diandra Erickson. When you first log in, you will be asked to change your password.

Moodle and Courses

All GTU courses will have a Moodle site (except Special Reading Courses), and all students will be enrolled in the Moodle site for each course in which you register. You will register for courses in your school’s student information system and you will appear in the Moodle site automatically, with a possible delay of up to two days. Depending on your instructor, you may not be able to see your course in Moodle until the first day of the semester.

Navigating through Moodle

Your courses are listed on the left-hand side of the screen. Click on a course to enter its Moodle course page. Use the “breadcrumbs” area in the top area (e.g., Home/Courses/Spring 2020/XX-1234-01.SP20) to return to the Moodle course page by clicking on the course number.

Moodle will automatically disconnect a user who does not have any activity for two hours (this is known as “timing out”). Clicking on a link anywhere in Moodle is considered activity, but typing into a textbox and using the formatting buttons there does not. Therefore, if you anticipate needing to type into a textbox for two hours or more, please type into a word processing application, and then copy-and-paste the text into the Moodle textbox. When pasting into Moodle, use the “Paste from Word” button in the textbox toolbar (and then ).

Finding Help

The Moodle website contains documentation to help you be successful when using the system. Each Moodle page has a link to the “Student Help Page.” Otherwise, you can go directly to that page at https://moodle.gtu.edu/mod/page/view.php?id=174134

For additional help, contact the Moodle Help Desk at moodle@gtu.edu.
Registering for Classes: Frequently Asked Questions (FAQ)

Selecting your Courses:

Will I have trouble getting into the classes I want?
Usually, no, there is no difficulty getting into classes that you need, particularly if they are JST classes.

Can I “shop” for classes before settling on some?
Yes. You want to be registered for at least one class by the end of orientation week; otherwise, a late fee of $100 will be charged to your account. But you can register for more courses than you intend to take as long as you remember to drop them from your schedule before the end of the second week of classes.

How late into the semester can I add/drop a course?
You can add or drop a course without a fee through the second week of the semester. After that, the charge is $50 per change.

How do I know where my classes will be held?
Check the online course schedule. Be sure to check a day or two before classes to make sure there hasn’t been a change in rooms.

How do I contact the instructor of a class?
Instructor emails are available on their home school website (click here for JST faculty).

How do I get a syllabus of a particular course before the semester begins?
Email the instructor to politely request the syllabus. Not all instructors are able to send the syllabus before the semester begins.

Taking courses outside of JST:

Will I be able to take classes at all the GTU schools?
Yes, unless otherwise indicated in the course schedule, all courses at any of the GTU schools are open to students of any of the member schools.
Will I be able to take classes at Santa Clara?
If you wish to take a course at Santa Clara, please see the JST Registrar for details.

Can I take a class at the University of California at Berkeley (Cal)?
Yes, if your advisor approves. It is a two-step process. You must register online (by registering for “UC 9000”) and fill out a paper form as well. Please check UCB’s academic calendar for semester start dates. See further details here.

Ordering Textbooks

Once you have registered for classes, you will need to order books for the semester. Because the GTU does not have its own bookstore, you will need to order books directly from a bookseller. Please bear in mind the length of time it takes to receive your books when ordering so that you will have them when you need them for your class.

Most schools maintain their own textbook website. The bookstore options are in transition, so many of the schools just link to the course text requirements, and students will need to find the books on their own. This information is organized by the school that is offering the course, not the school at which you are registered. For classes offered by the GTU and PSR, please check with the professor.

**Meal Plan**

While most students purchase food on their own from local grocery stores, the [GTU Consortial Dining Room](#), located a few blocks from JST at the Pacific School of Religion (PSR), offers meal plans (lunch only) to all GTU students.
International Students

For visa questions, refer to the SCU International Students and Scholars office. You may reach the office by e-mail at iss@scu.edu.

Health and Dental Insurance

Health Insurance
Under the Affordable Care Act, all individuals must now carry health insurance meeting the minimum essential coverage requirements as defined by the federal government. JST students are eligible for medical benefits through the health insurance plan offered to students of Santa Clara University. Coverage is through UnitedHealthcare, and enrollment/waiver is administered through Gallagher Student Health. Full information on the plan can be found at www.gallagherstudent.com/scu. For a copy of the current plan brochure, click here. Contact Pat Sandvick, SCU Insurance Coordinator, at psandvick@scu.edu if you have questions.

All new students registered at half-time status (6.0 units) or more (except for international students on the J-1 Visa) are AUTOMATICALLY ENROLLED in the University-sponsored insurance plan, unless they waive out of the plan by the February 7 deadline. To expedite enrollment in the plan, enroll yourself at www.gallagherstudent.com/scu.

If you wish to WAIVE OUT of the student plan, you must show proof of your own health insurance plan by completing the online waiver form at www.gallagherstudent.com/scu by February 7. If you do NOT submit an acceptable waiver, you will be enrolled in the insurance plan and your individual student account will be charged $1,736 for the spring semester, starting on 2/1/20 and terminating on 8/31/20.

If you have any questions about this plan, including coverage or access to services, contact Pat Sandvick, Insurance Coordinator at SCU (Cowell Center, SCU Main Campus) at psandvick@scu.edu or at (408) 554-2379.
You can create a login to your health insurance account to view claims, benefits and other useful information at [https://www.uhcsr.com/](https://www.uhcsr.com/).

**International students on the F-1 Visa:** You must enroll in the SCU student health insurance plan. Full requirements for F-1 students can be found [here](https://www.uhcsr.com/). On that same web page, you will find a video on “Understanding the US Healthcare System.”

**International Students on the J-1 Visa:** Contact Sarah Brockmeyer, SCU J-1 Advisor, at [sbrockmeyer@scu.edu](mailto:sbrockmeyer@scu.edu), regarding the insurance plan required for all J-1 students.

**Renewal Program Domestic Students:** Bring your health insurance information to your Program Director.

**Dental Insurance**
JST-SCU students are eligible to enroll in an optional dental plan. Read more about the dental plan [here](https://www.uhcsr.com/).
Financial Aid & Loan Deferral

Receiving your Federal Financial Aid Award

- If you are eligible for, applied for, and were awarded a Federal Financial Aid Award (Federal Loan), there are several steps you need to complete to receive your award. These steps are listed on the SCU Financial Aid Office website at https://www.scu.edu/financialaid/graduate-students
  - The first step for applying for Federal Financial Aid is to fill out a Free Application for Federal Student Aid at the FAFSA website
  - Here is the link to steps for Loan Counseling, MPN and Disbursement Dates

- You must complete the steps in the link above to receive your award. If you are not sure if you have completed the steps, please call the SCU Financial Aid Office to see what is missing. The phone number is (408) 551-1000.

- Once you complete the steps above and register for classes, your award will be transferred to your student account at SCU. Any outstanding balance for the semester will be automatically deducted from the loan disbursement(s) and the remaining funds (if any) will be available for you to receive via check or direct deposit. Awards are disbursed once each semester. Please check with the SCU Financial Aid Office regarding access to your remaining funds. If you have any questions about your award, please contact the SCU Financial Aid Office at (408) 551-1000 or OneStop@scu.edu.

- If you anticipate receiving an outside award or other financial support that is currently not included in your financial aid package, report this information to the SCU Financial Aid Office.

JST Institutional Financial Award/Scholarship

- If you have questions about your JST scholarship, please contact Laura Nieto in the Office of Enrollment Management at inieto@scu.edu. Please schedule an appointment to review your scholarship.

Loan Deferral (for outstanding student loans acquired prior to JST enrollment)

- If you are paying back loans from a previous degree, you can request deferment while in school at JST. Request a deferral form from your lender’s website. After filling out the form, submit it to the JST Registrar for completion. The Registrar will notify you when it is ready for you to pick up and mail to your lender. This process needs to be repeated every semester you are enrolled in school or your loans will come due.
Tuition costs for each program, along with additional fees, are located here.

All tuition, fees, rent, and health insurance charges are collected by the SCU Bursar’s Office. If you have questions or concerns regarding charges on your student account, you may contact the SCU One-Stop at (408) 551-1000 (onestop@scu.edu), or Thanh Vo at JST in Room 226 (gvo@scu.edu).

Students are required to make payment in full or enroll in a payment plan prior to the start of each term. You will receive a billing statement on the first of each month. It is important to note that all students are required to submit payment BEFORE the beginning of each term. Charges billed on that statement are due on the 21st of that month. This includes your August 1 statement, which will contain charges for the Fall term, and January 1 statement containing charges for the Spring term.

Students will receive monthly billing statements from the Bursar’s Office sent to their @scu.edu email accounts. You may also view your statement at any time by logging into eCampus. Please note, we do not accept payments on-site at JST. You will need to either submit payment online or mail to the main campus. If you fail to pay tuition, a hold will be placed on your student account. This will prevent you from registering, obtaining transcripts, receiving a diploma and/or graduating.

Payment options are as follows (also available on the Bursar’s website here):

Pay Online

Students: Login to eCampus and click on the “Make a Payment” link located on your student center page. This will take you to the SCUpay landing page and your real-time account activity.
**Authorized Users:** The student must authorize another user to review and pay the bill on the student’s behalf. The authorized user will then receive an email with the link to the login for SCUpay.

The billing statement is available online through the student’s or the Authorized User’s login. For instructions to pay online, click “View Bill”.

*Santa Clara University does not accept credit cards for payment of tuition and fees.*

**Payment by Mail, 529 Plan, and Third Party Payments**

Santa Clara University accepts 529 plans, college savings accounts, third party payments, and payments requested through your bank’s online bill/pay system. **Please make sure the student’s name and SCU ID number are located on the check or remittance advice** for accurate and timely posting. Santa Clara University Tax ID: 94-1156617.

*Make checks payable to Santa Clara University and mail to:*
SCU Payment Processing
P O Box 550
Santa Clara, CA 95052-0550

Some 529 plans and college savings plans will require proof of enrollment and/or a billing statement. Proof of enrollment is provided by the Enrollment Services Center. Email: OneStop@scu.edu / Phone: (408) 551-1000.

**International Wire Transfers**

Students can send an international wire payment through FlyWire (formerly peerTransfer). FlyWire enables international students to pay in their home currency.

Go to [FlyWire](https://flywire.com) to begin the payment process.

We currently do not accept domestic wire transfers.

**Payment Plans**

Currently enrolled students are eligible to enroll in a monthly payment plan to assist with budgeting needs on a term basis. There is a $40 non-refundable enrollment fee per term/semester. Please note that payment plans cover only one semester at a time, so you will need to re-enroll each term.

**How to Enroll**

Students: Login to eCampus. On the Student Center page, click “View Bill & Make Payment” on the left menu.
Authorized Users: Logon the Authorized User link with your login name and password. The same payment landing page that the student can access will be available to the Authorized User.

Payment Plan Criteria
- Student must be enrolled at SCU
- First payment is due upon enrollment
- Budget will be based on current account balance minus applicable financial aid
- All payments are remitted via ACH process
- Plans are subject to rebalance based on enrollment and/or financial aid changes
- Participants must enroll each term. There is no automatic re-enrollment.

Students must enroll in payment plans by August 21 for the Fall semester and January 21 for the spring semester. No payment plans are available for Intercession or Summer.

If you have any questions, please contact the Bursar's Office at (408) 554-4424, or by email at bursarpayplan@scu.edu.
