

WHY ATTEND THE CEPI & NASPP SYMPOSIUM?

The CEPI, in partnership with The National Association of Stock Plan Professionals (NASPP), proudly presents an unmissable event for professionals in the equity compensation industry. Designed to provide attendees with insights, connections, and resources, this event equips you to advance your career and stay at the forefront of the field.

ADVANCE YOUR EXPERTISE

Learn from seasoned professionals and industry leaders who will share actionable insights, best practices, and the latest trends and regulatory updates. Expand your knowledge and strengthen your skillset to remain competitive in a rapidly evolving industry.

EXPAND YOUR NETWORK

Engage with executives, key influencers, and peers, building meaningful relationships that can support career growth and open new professional opportunities.

ENHANCE YOUR CREDENTIALS

Earn continuing education (CE) credit while investing in your professional development. For the first time, six sessions per time block allow you to earn all 30 CE hours by attending the symposium and accessing the free virtual recordings.
