The Wharton School, University of Pennsylvania
Ph.D., Operations and Information Management, 1994
M. A., Decision Sciences, 1990

University of Texas at Dallas
M. S., Management Sciences, 1987

Institute of Technology, Banaras Hindu University, India
B. Tech., Mechanical Engineering, 1984

1b) Titles of Theses and Dissertations

“Sourcing Strategy and Material Control: An Integrated Model”
Supervisor: Prof. Morris A. Cohen

1c) Academic Honors

- Benjamin and Mae Swig Professor (University Chair), appointed 2013
- Associate Dean of Faculty, 2010 – present
- Department Chair, Operations Management & Information Systems, 2008-2010

- Associate Editor: Management Science (2006 – 2009)
- Associate Editor: Manufacturing and Service Operations (2008 – present)
- Editorial Board: POMS (1998 – present)

- Dean’s Award for Extraordinary Performance, 1998, 2001, 2003, 2006, 2008
- Dean’s Award for Teaching and Service Excellence, 1996-97, 1999-2000, 2004-2005, 2007, 2009-2013
- Breetwor Fellowship, 2000, 2003, 2006
- IIE Transactions Award – best paper in the Scheduling and Logistics section, 2001
- Outstanding IIE Publication Award, 2001

- Dean's Teaching and Innovation Award, 1996.
- Leavey Research Grant, Santa Clara University, 1994, 1996, 1999, 2002-2005, 2007, 2009, 2011
- Retail Workbench Research Grant, Santa Clara University, 1994, 1996-2002
- Competitive Manufacturing Institute Research Grant, Santa Clara University, 1993-98
- University Fellowship, University of Pennsylvania, 1987-90
- First Prize, SYSCON student paper competition, WORMSC Symposium, Arlington, 1989
- Graduated first in class, Institute of Technology, B.H.U., 1984. Awarded the University Gold Medal and Prince of Wales Gold Medal
- University Merit Scholarship, Institute of Technology, B.H.U., 1981-84
- National Merit Scholarship, Central Board of Secondary Education, India, 1979

2. Teaching and Related Experience

2a) Teaching Experience

Professor, Santa Clara University, (since 2010)

Associate Professor, Santa Clara University, (since 1999)

Assistant Professor, Santa Clara University, (1992-98)

Taught executive, graduate and undergraduate level courses in Supply Chain Management, Operations Management, Computer Based Decision Models, and Manufacturing Competitiveness.

Visiting Professor, The Wharton School of Business, 1999-2000, 2000-2001, 2010

Visiting Associate Professor, Indian School of Business, Winter 2004, 2006

Instructor, Department of Decision Sciences, the Wharton School (Spring 1989, Spring 1990)

Taught Operations Management: Analysis and Control, an advanced elective for undergraduate students.

Instructor, The Executive Masters of Science and Engineering Program, Moore School of Engineering and Applied Sciences, University of Pennsylvania (Spring 1990)

Taught sessions on Optimization and Management Decision Analysis.

2b) Other Academic Experience

None.

2c) Relevant Non-Academic Professional Experience

Systems Analyst, Tata Consultancy Services, Bombay (June 1984 - May 1985)

Responsible for all data processing and information reporting for India's largest public sector mutual fund corporation. Assisted in the development of an on-line management information system that included inventory management, order processing, invoicing, accounting and financial reporting for an international trading company.
