

BUSINESSES YOU CAN START WITH LITTLE OR NO MONEY

Many people want to start businesses but don't have the money. However many businesses, including some world wide ones, have been started by dedicated entrepreneurs who had very little start-up capital. The trick is to specialize in a service or product that you're good at, you love to do, and then start growing one order at a time. Here are just a *few* ideas:

- Car washing (portable) for office buildings
- Cleaning services for businesses or homes
- Computer installation and repair
- Computer programming and coding
- Consulting
- Delivery of prepared meals for restaurants and clients
- Consignment sales through platforms like E-bay and Amazon.
- Event planner
- Etsy online pop-up businesses
- Freelance writing
- Gardening/landscaping services
- Gift baskets
- Graphic artist
- Handyman services with a specialty
- Converting a hobby or skill into a business: baking , jewelry making, instrument tuning, etc.
- Holiday decorating for homes and businesses
- Personal shopper
- Personal trainer
- Personal assistant/virtual assistant
- Pet sitting
- Photographer (weddings, parties or businesses)
- Portable food cart (your own specialty)
- Remodeling (specialized)
- Resume/document writer or editor
- Senior care services
- Social media marketing
- Sports coach (tennis, basketball, baseball, etc.)
- Tax preparation
- Teaching/tutoring: computer, musical instruments, languages, etc.
- Transcription service
- Translation services
- Website design and management
