Billing Statements are processed at the beginning of the month and are available to view online via eCampus. Simply go to www.scu.edu/ecampus and continue with your appropriate login.

Students – you will need to provide your parents, spouse or any other third party assisting with your education costs, (we call them Authorized Payers) with a login to the billing/payment site. Here's how:

1. Login to your eCampus account: <https://ecampus.scu.edu>
2. Click the **Financial Account** tile, then **SCU Pay Site** (*pop-up blocker must be disabled*)
3. Select **My Account** from the left-hand navigation
4. Click **Send a Payer Invitation** and enter the required information. It is case sensitive. Click **Send Invitation**.
5. Once complete, an email will be sent to the Authorized Payer with their username and temporary password.

Parents/Family members – Your student is the only one that can grant you access to our online bill/pay system. After you receive your login information email, please log in to the site within 24 hours and immediately change your password. **Please make sure to set up your security questions when you first login** so you can reset your password should you forget. If you

don't, your student will need to reset it. SCU personnel do not have the ability to reset passwords.

FERPA – Family Education Rights and Privacy Act

The University is prohibited from releasing financial and record information on a student's account without a release completed by the student. Students may choose to release specific information to those they wish by completing an online **FERPA release form** located under the *Academics* tile on the Student Center page.

Payment Methods

Electronic –

- **ACH via eCampus** using a valid *personal* checking or savings account. The system cannot process payments via line of credit, business or money market accounts, etc.
- **Bill/Pay via your banking institution.** Your bank will mail a paper check to SCU so please make sure your student's SCU ID# and name is located on the check or remittance advice.

College Savings and Check Payments – Student Name and SCU ID# should accompany all check payments and be made payable to Santa Clara University.

Please remit payment to: SCU Payment Processing, PO Box 550, Santa Clara CA 95052-0550

Don't forget to include the billing advice or other clear student identifying information on all payments remitted by mail to avoid posting error and/or delays with processing your payment.

Pay in Person - Check or cash payment can be made at the OneStop during regular work hours 9:00-5:00, Monday-Friday. Please note that the University does not accept debit or credit cards for payment of student account charges.

International Wire Transfer – Quick and secure fund transfer typically in your home currency. Go to <https://scu.flywire.com> to find out how simple it is. Have questions? There is 24/7 multilingual customer support by phone, email, live chat or Skype.

Term Payment Plans are available once the initial term bill has been processed. This is an **online only** plan and payment is remitted via ACH. Enroll by each terms' payment deadline to maximize plan benefits with equal monthly installments. Plan participants have to enroll each term. There is a non-refundable enrollment fee of \$40 per term to join.
