Billing Statements are processed on the first business day of the month and are available to view online via eCampus. Simply go to www.scu.edu/ecampus and continue with your appropriate login.

Students – you will need to provide your parents, spouse or any other third party assisting with your education costs, (we call them Authorized Users) with a login to this site. Here’s how:

1. Go to www.scu.edu/ecampus
2. Login
3. Click the ‘Financial Account’ tile, then click SCU Pay Site.
4. Click ‘Add New’ in the Authorized User box and follow the instructions.

Parents/Family members – Your student is the only one that can grant you access to our online bill/pay system. Once your student has completed the initial set-up, you will receive an email with your pin/temporary password and instructions on how to utilize the site. You must log in within 24 hours of email notification and change your password. Please ensure you complete the security questions when you first log in else you will not be able to reset your password.

FERPA – Family Education Rights and Privacy Act
The University is prohibited from releasing financial and record information on a student’s account without a release authorized by the student. Students may choose to release specific information to those authorized by completing an online FERPA release form located under the Academics tile in eCampus.

Payment Methods
Electronic –
- ACH via eCampus using a valid checking or savings account. *The system cannot process payments via line of credit, business or money market accounts, etc.*
- Bill/Pay via your banking institution. Your bank will send us a paper check so please make sure your student’s SCU ID# and name is located on the check or remittance advice.
College Savings and Check Payments – Student Name and SCU ID# should accompany all check payments and made payable to Santa Clara University. Please remit payment to:

SCU Payment Processing, PO Box 550, Santa Clara CA 95052-0550

Don’t forget to include the billing advice or other clear student identifying information on all payments remitted by mail to avoid posting error and/or delays with processing your payment.

Pay in Person - Check or cash payment can be made at the OneStop Office during regular work hours 8:30-5:00, Monday-Friday. Please note that the University does not accept debit or credit cards for payment of student account charges.

International Wire Transfer – Quick and secure fund transfer typically in your home currency, which means a much lower cost to you. Go to www.flywire.com/pay/scu to find out how simple it is. Have questions? There is 24/7 multilingual customer support by phone, email, live chat or Skype.

Term Payment Plans are available once the initial term/semester bill has been processed. This is an online only plan and payment is remitted via ACH. Enroll by each terms’ payment deadline to maximize plan benefits with equal monthly installments. Plan participants will have to enroll each term. There is a modest non-refundable enrollment fee of $40 per term to join.
