**Santa Clara University's Class of 2020
along with family and friends**

are cordially invited to

CELEBRATING THE CLASS OF 2020

Saturday, June 13, 2020

Pre-festivities, 11:30 a.m. PDT

Celebration, 12:00 p.m. PDT

This virtual gathering will provide the Santa Clara family an opportunity to confer your degree and recognize the accomplishments of this outstanding class of Broncos, as together we look forward to a future Commencement ceremony on campus.

We hope that you will wear your commemorative stole, not only today, but on the day of your in-person Commencement. At the conclusion of our virtual celebration, we invite you to raise your Class of 2020 tumbler as the University community and your family and friends toast and shower you with confetti!

We also encourage the Class of 2020 to celebrate together by using **#SCU2020** and **#SCUSeniors** to share your experience opening your Celebration Box and toasting with your “socially distanced” classmates and well-wishers on June 13.

Once a Bronco, always a Bronco!
