Students cannot simultaneously declare an AI minor and graphic design minor, studio art minor, or studio art major. Study abroad courses in art history are not accepted for the AI minor. Only approved courses in studio art from the study abroad course equivalency database may be accepted for transfer credit. No more than four study abroad courses in studio art may be accepted for the AI minor.

OPTIONAL ANIMATION & ILLUSTRATION EMPHASIS FOR STUDIO ART MAJORS:

Studio art majors have the option of completing a concentration within the major by selecting one of the emphasis listed below. Like the general studio art major, the emphasis requires the four foundation ARTS courses, four ARTH courses, ARTS 100, 190, and 196, and six additional studio ARTS elective courses; however, the elective courses need to be specific to the emphasis as listed below. Completion of the emphasis will be noted on the student's transcript. The emphasis is for studio art majors only. Students may only complete one emphasis.
