ATIXA Recommended Best Practices

Reporting and Response

- Designate all non-confidential employees mandated reporters
- Require all employees to provide the contact information of the Title IX Coordinator to any person making a disclosure that may implicate Title IX
 - This applies regardless of confidential status

Training

- Provide process, policy, and reporting training on a recurring basis
- Train Title IX team on supportive measures
- Offer training to institution-provided Advisors
- Offer prevention education for students and employees
- Ensure training and prevention education programs meet all federal and state audience and content requirements

Intake and Evaluation

Ensure use of a centralized reporting process to ensure that the information gets to those who are trained to respond in a timely and efficient manner

Provide written notice of any determination, including notice of dismissal

Informal Resolution

- Implement informal resolution methods to all for an alternative to the formal grievance process
- Consider the following:
 - Offer multiple types of informal resolution
 - Informal resolution types should be consistent with institutional culture and needs
 - All informal resolution practices should be supported by necessary training and resources

Grievance Procedures

- Offer a streamlined process to provide for a consistent response to stop, prevent, and remedy all forms of discrimination
- The process should be § 106.46-compliant and separate investigation and decision-making responsibilities

The Process Should Include:

- Written Notice
- Right to an Advisor of choice
- Comprehensive, written investigation report
- Opportunity for report review/response
- Cross-examination
- Written determination
- One level of appeal

Investigation

- Allow parties to offer expert witnesses
- Provide a comprehensive investigation report to all parties and their Advisors
- Provide all relevant evidence to parties prior to the completion of the investigation report
- Offer an opportunity to respond to the evidence

Outcome and Appeal

- Provide a written outcome notification, including:
 - The determination
 - Any sanctions or remedies
 - Any opportunities for appeal
- Offer one level of appeal
- Ensure comparable procedures, including one level of appeal, for complaints other than sex discrimination

Standard of Proof

1

Adopt

the “preponderance of the evidence” standard

2

Apply

the standard to all complaints unless it conflicts with other contract rights

3

Negotiate

future contract rights to allow for the use of the “preponderance of the evidence” standard

Advisors

- Permit access to Advisors for all parties in all formal processes
- The institution must provide adequate training on the institution's policies and procedures for institution-provided Advisors

Pregnancy and Parenting

- Offer support to non-birthing parent in the event of a medical need for a birthing parent or newborn
- Provide information on institutional website including:
 - The rights of pregnant students under Title IX
 - How to request support for pregnancy or related conditions
 - The processes available for requesting assistance and challenging when a denial of assistance occurs

Pregnancy and Parenting (Cont.)

- Offer multiple spaces that include access to sinks, outlets, and refrigerators
- Provide access to the lactation room without having to request permission
- Add lactation spaces to cleaning schedules
- Ensure space is available during evening and weekend classes or programs

Athletics
