

SCU Annual High-Impact Dates

To minimize the impact on the university and academics, care should be taken to avoid scheduling events during high-impact dates. In general, events should not be scheduled on these listed dates if they are unrelated to the high-impact event. Additionally, events may require further vetting during quiet hours, reading periods, and final exams, to ensure no disruption to academics. Any questions surrounding this, please contact the Event Planning Office at 408-554-6911 or EventPlanningOffice@scu.edu
