

**Santa Clara University Financial Aid Office
2021-2022 Standard Verification Worksheet - Independent**

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The U.S. Department of Education regulations state that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA.

To verify that you provided correct information, the Financial Aid Office at Santa Clara University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected by the Financial Aid Office.

- **You must complete and sign this worksheet, attach any required documents, and submit them to the Financial Aid Office.**
- **Please be sure to include your student’s name and SCU ID number on any attached documents and on any additional documents that may be sent later.**
