
International Student Exit Survey

Undergraduate Student Report

June 2022

ABOUT THE SURVEY

The annual International Student Exit Survey was sent to 51 undergraduate students in F-1 status graduating from Santa Clara University. 13 students responded to the survey with an overall response rate of 33%. Student respondents came from eight different countries with India (38%) having the most representation. The survey was distributed through Qualtrics to students' SCU emails on April 29, 2022 and the survey closed on May 20, 2022.

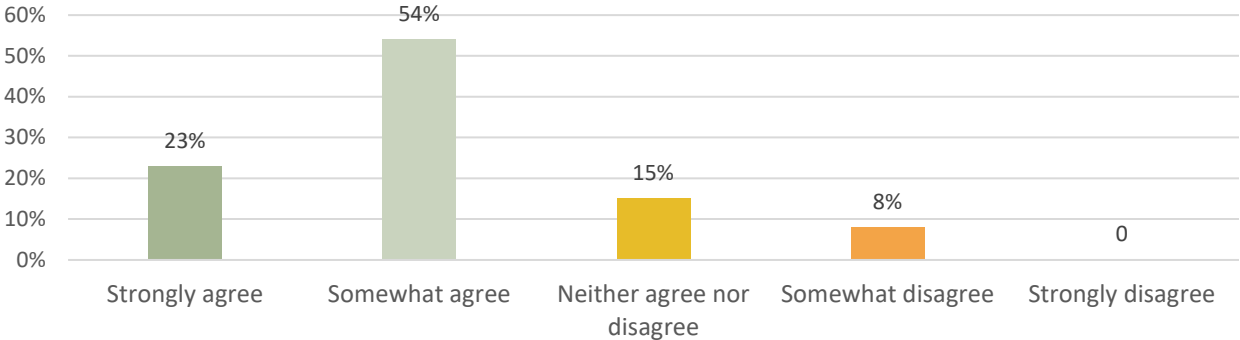

CAMPUS EXPERIENCE

100% of respondents met friends outside of their home culture

85% of respondents were involved in on-campus student clubs and activities

69% of respondents had a campus job

Please indicate your level of agreement with the following:
I felt welcome on SCU's campus

Note: Totals may exceed 100% due to rounding.

The most rewarding aspect of my time at Santa Clara University was...

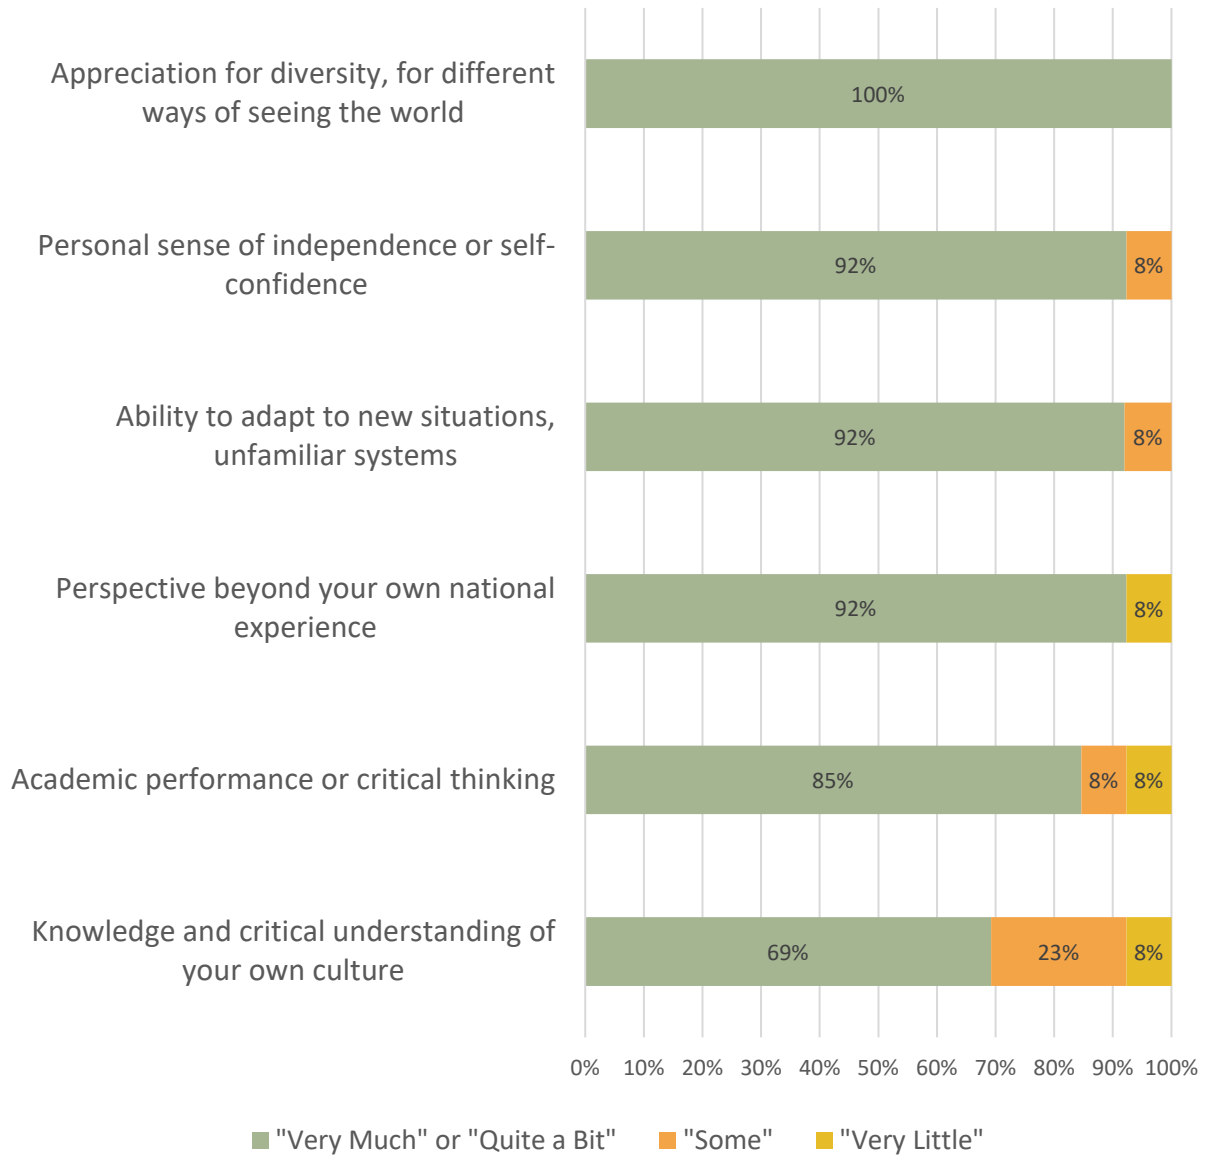

“My on campus jobs and getting the chance to meet new people and gain new experiences and skills“

“Meeting amazing people and growing my perspectives.”

The most challenging aspect of my time at Santa Clara University was...

“I think being in a completely different place which has different norms, rules, etc. was challenging and took some time to adjust or assimilate to.”

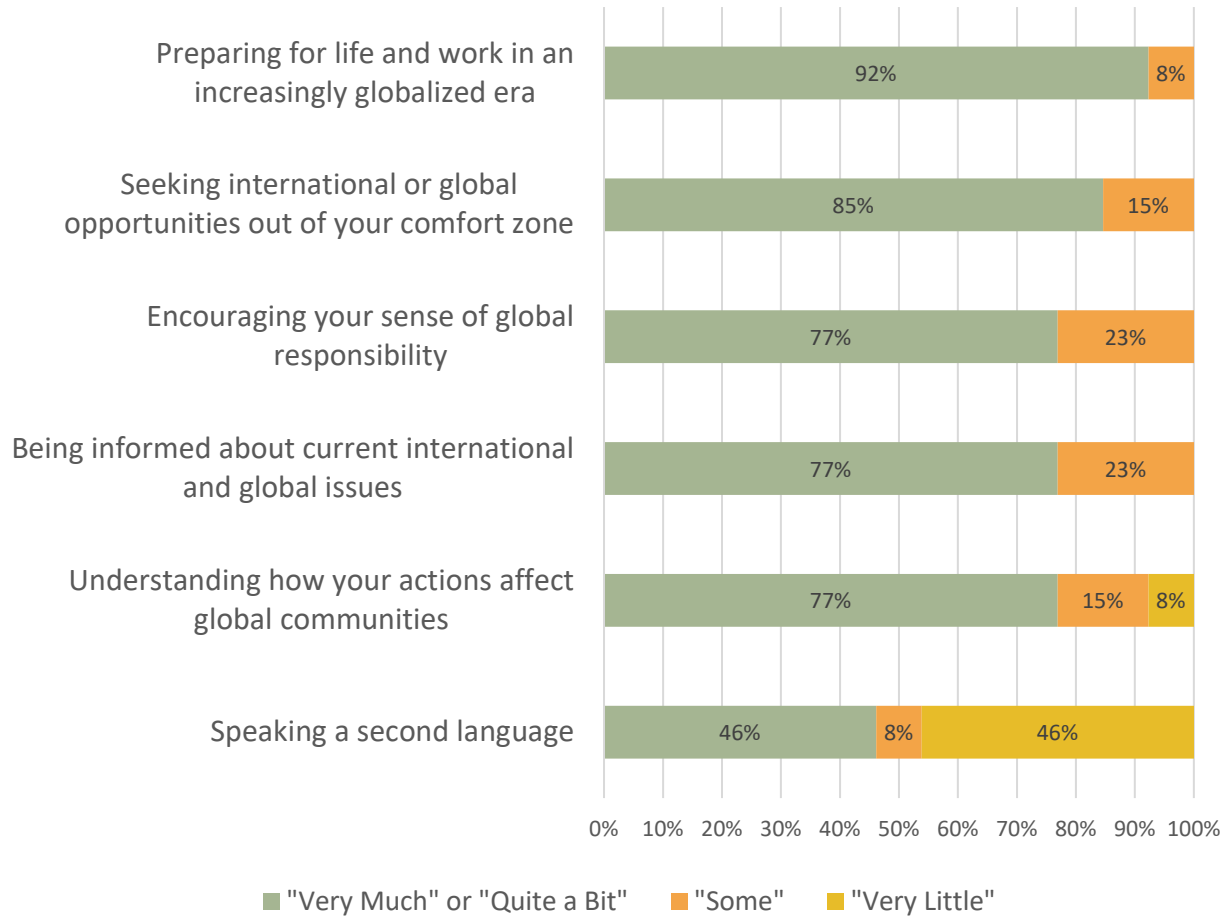

To what extent did your experience at SCU increase your:

Note: Totals may exceed 100% due to rounding.
