Current Students Requesting to Add New Family Members

Admitted students: The F-2 I-20 will be shipped with your new I-20. Your family member should join you for visa stamping or change of status. Only current students already in the U.S. should complete this section.

An F-2 I-20 does not grant immigration status to people already in the U.S. in another immigration status. Upon the issuance of the F-2 I-20, your dependent family member must either secure an F-2 visa stamp and enter the U.S. in F-2 status or file a Change of Status application from within the U.S. Please confirm how your dependent family member will obtain F-2 status:

- Visa stamping Change of Status application

How would you like to collect your updated I-20 and the new F-2 I-20 for your family member?

- In Person Pick-Up Mail (you will be prompted to create your shipping label once the I-20s are ready)
