DONATION OF VACATION TO OTHER STAFF (Non-Union)

Staff who have run out of vacation and sick leave due to the continuing requirement to be absent from work because of illness or family emergency may be authorized additional vacation time from a pool of vacation donated by other staff. Employees may receive up to 80 hours maximum from the vacation pool per incident and a lifetime maximum of 160 hours. Even if hours have been donated to a specific individual, the individual must submit a Request for Additional Vacation Hours. Staff may donate vacation time, in eight (8) hour increments, to the pool or for specific individuals. Staff must retain a balance of at least eighty (80) hours of vacation after making a donation to the pool. Staff who wish to donate vacation or request hours from the pool can complete this form and return to the Human Resources Department.
