

## The SCU New Student Survey Information Sheet

### **Purpose of the Study**

This survey is part of an ongoing effort to evaluate and enhance the quality and efficacy of Santa Clara's curricular and co-curricular programs and Jesuit mission.

### **Procedures**

To participate, complete and submit the online survey. The New Student Survey typically takes less than 10 minutes. You may withdraw from the survey at any time without any consequences.

### **Use of Data for Future Research**

Your data, including de-identified information, may be retained for future research purposes.

### **Potential Benefits to Participants and Society**

Completing the survey may help you reflect on your experiences and college expectations, fostering greater self-understanding. Your responses will directly benefit Santa Clara and improve the experience for future students.

### **Potential Risks and Discomforts**

Participation is voluntary. We ask that you skip any questions you prefer not to answer while completing the remainder of the survey.

### **Confidentiality**

Your responses will be used solely for research purposes and kept strictly confidential. Any identifiable information collected will remain secure and confidential.

### **For More Information**
