

Part A - Important Instructions for New COMBINED Reporting

Important Instructions for New COMBINED Reporting on Institutional Characteristics

For Institutions with Campus Reporting

You will submit a single Institutional Characteristics survey that combines data and characteristics from your main campus and all campuses that you report under the main campus.

The only exception to this is the Price of Attendance, which you will submit separately for the main campus and each campus.

The Price of Attendance screen in Part D is for the main campus; the Price of Attendance screens in Part F are for the campuses.

Please report **combined** data for the following parts:

Part A - Mission Statement

Part B - Admissions Requirements and Estimated Enrollment

Part C - Student Services

Part D - Student Charges - all screens, **except Cost of Attendance**

Part E - Athletic Association

Please report data **separately** for the main campus:

Part D - Cost of Attendance

Please report data **separately** for each campus:

Part F - Award Levels; Full-time, first-time students; Cost of Attendance

The Part F screens will be provided for the submission of separate data by campus. Please note that the Part F list of campuses will not appear on the IC menu bar until you have responded to screening questions in Parts B and D.

Screens will also be provided so that you can update the Institution Identification information for each branch campus.

Institution: Santa Clara University (122931)

User ID: P1229311

Part A - Mission Statement

1. Provide the institution's mission statement or a web address (URL) where the mission statement can be found. Typed statements are limited to 2,000 characters or less. The mission statement will be available to the public on College Navigator.

User ID: P1229311

Part B - Admissions and Estimated Enrollment

1. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution does not have an open admission policy, you will be expected to answer additional questions (B2, B3, and B4) regarding your admissions procedures and admissions yield.

Yes

No

 You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

Academic Year Reporters**

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2012.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
