Returner Group

- Returner Group is composed of residents who wish to return to their current community for the 2019-2020 academic year.
- EVERY member of the group must reside in their current community to be considered a "Returner Group." If one member is from a different community the group is "Non-Returner."

- Ex. Nancy and her 3 friends Eleven, Max, and Barb are all current residents of Sobrato. They want to be roommates and continue living in Sobrato for the 19-20 year. Nancy, Eleven, Max, and Barb will all choose Returner.

Room selection will occur in the order within which the application is time-stamped. The time-stamp for groups is determined by averaging the time-stamps of all the individuals in the group.

Non-Returner Group

- Non-Returner Group is composed of residents who want to live together for the 2019-2020 academic year regardless of their current community.

- Ex. Tyrion (currently lives in Sobrato), Jon (currently lives in Graham), and Jaime (currently live in Graham) decide to live together in Graham for the next academic school year. Tyrion, Jon, and Jaime would select Non-Returners.
