Please pay attention to the following items:

- The Email you utilize **MUST** be the email you applied to SCU with. You cannot change this, as it will not recognize you in the portal. Once your SCU email is assigned and active, your account will be migrated and you will receive notification of this over the Summer.
- Your Campus ID number must have the 4 leading 0's. For example "0000xxxxxxx".
- You will receive an email within 15 minutes with a link to set-up your password. Once you setup your password you can login to your portal and begin your Housing Application.
