

SCU Pathways Essay Submission Checklist

In addition to reviewing the rubric, *before* you submit your Pathway essay, make sure you can answer “yes” to all of the following.

Have you...

	Yes	No (Fix before submitting)
given your essay a descriptive title and included the submission date?		
identified your Pathway by name?		
identified a clear and substantive issue connected to your Pathway for your multidisciplinary analysis?		
identified the courses that you’re drawing upon for your multidisciplinary analysis using the department name and course title?		
checked the word count to be sure your essay is not over 1,000 words?		
included citations (if needed)?		
included the word “Revised” and the new date with your essay title if you’re submitting a revised essay?
