Buzzwords in Education Explained

Dive in! Examine popular teaching approaches. Discover how to apply the strategy and eliminate misconceptions about these trending education buzzwords.

CONCEPT MAPS

Visual representations of concepts and propositions that demonstrate interconnections and build from base knowledge to elaboration.

HOW DO I USE THIS IN MY CLASSROOM?

- Model concept map development.
List:
 - major concepts,
 - ideas,
 - similarities/differences
- Break complex problems into organized categories to show relationships.

WHEN TO USE IT?

- Study tool to chunk information
- Small group activity to apply higher order thinking
- Enhance and enrich deeper learning in preparation to transfer knowledge

WHY USE IT?

Depicts a visual representation of relationships between concepts.

- Promotes deep learning, fosters efficient recall, supports the transfer of knowledge;
- Another method to observe how student understanding/learning evolves over time;
- Promotes metacognition.
