Does the human subjects activities involve “no more than minimal risk”?

YES

NO

Apply for FULL REVIEW

Does it fall into one of these four categories?

Does research involve the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects?

YES

Does research involve survey or interview procedures or the observance of public behavior?

YES

Will responses be recorded so that the human subjects can be identified, directly or through identifiers linked to the subjects?

YES

NO

APPLY FOR EXEMPT REVIEW

If subject's responses became known outside the research could they place the subject at risk of criminal or civil liability or be damaging to the subject’s financial standing or employability?

YES

NO

Does research deals with sensitive aspects of the subject's own behavior, such as illegal conduct, drug use, sexual behavior, or use of alcohol?

YES

NO
