### **Grading Policy**

- Grades are assigned by the instructor to reflect the quality of a student's work. The University uses the following grades:
  - A: Excellent
  - B: Good
  - C: Adequate
  - D: Barely Passing
  - F: Not Passing
  - P: Pass
  - NP: No Pass
  - The grades A, B, C, and D may be modified by (+) or (-) suffixes, except that the grade of A may not be modified by a (+) suffix.
- Grade point values per unit are assigned as follows:
  - A = 4.0
  - A = 3.7
  - B+=3.3
  - B = 3.0
  - B = 2.7
  - C + = 2.3
  - C = 2.0
  - C = 1.7
  - D+=1.3
  - D = 1.0
  - D = 0.7
  - F = 0
  - Unit credit, but not grade point credit, is awarded when the grade of "P" is assigned. Unit credit is not awarded when the grade of "NP" is assigned.
  - The University also uses the following marks for which no unit credit or grade point value is granted:
    - I: Incomplete
    - N: Continuing work
    - NS: No Show
    - AUD: Audit
    - W: Withdrawn

- Pass/No Pass (P/NP) A grade of "P" signifies that the quality of work done is equivalent to a letter grade of "C" or higher, while a grade of "NP" denotes work at the level of "C—" or lower. A maximum of six courses taken under the pass/no pass option in which the student receives a mark of "P" can be used to fulfill the unit requirements for graduation. Some courses are offered only on a pass/no pass basis, and a student with junior or senior standing and a declared major may choose to take an elective course on a pass/no pass basis. Students may enroll in only one course per quarter on a pass/no pass basis. Students may choose the pass/no pass option for a class through the last day of the late registration period, but may not change the grading option after that date.
- Incomplete (I) The mark of "I" (incomplete) may be assigned by the instructor when a student does not complete some essential portion of the assigned work in a class because of extraordinary circumstances beyond the student's control. The instructor no longer needs to submit an "Incomplete Contract" form. The unfinished work must be completed and given to the course instructor within three weeks of the beginning of classes in the next scheduled term (not the student's next term of enrollment), excluding summer session, unless extraordinary circumstances require an extension. A request for an extension must be submitted in writing by the instructor and approved by the University registrar within the original three-week period. Extensions shall not be for longer than two academic quarters after the mark of "I" was assigned, excluding summer session. An incomplete that has not been completed within the specified deadline or has not received an approved extension will be converted to a grade of "F."
- Continuing Work (N) The mark of "N" (continuing work) may be assigned by an instructor when course requirements span more than one term. When the course requirements are completed, the instructor assigns a standard grade. A student may not graduate and receive a degree with a mark of "N" on their academic record.
- **No Show (NS)** The mark of "NS" (No Show) may be assigned by an instructor when a student never attends a class and does not drop the class. A mark of "NS" cannot be changed to any other grade or mark after it is assigned by the instructor. A mark of "NS" is included in the student's academic record and appears on the student's transcript, but is not included the calculation of the student's grade point average. No adjustment in tuition will result from the awarding of a mark of "NS" in a class.
- Audit (AUD) The mark of "AUD" is assigned when a student enrolls in a class on an audit basis. A mark of "AUD" cannot be changed to any other grade.
- Withdrawn (W) The mark of "W" is assigned by the Office of the Registrar when a student completes the formal requirements dropping a class or withdrawing from the University. A mark of "W" cannot be changed to any other grade or mark. A mark of "W" is included in the student's academic record and appears on the student's transcript, but is not included the calculation of the student's grade point average.
