TRANSFER CREDIT ACCEPTED:

SCU does not give transfer credit for P/NP, CR, or courses with a grade of C- or lower. Grades are not transferable to SCU, only units. However, awarding of degrees with Latin honors is based on all graded undergraduate courses attempted at SCU and courses taken elsewhere that are used towards the fulfillment of a student's degree. Honors will not be awarded above those merited by the student's record at SCU.

The following courses are not transferrable: most first-year seminars, internships, professional development courses, independent study courses, workshops, most physical education courses, most criminal/administration of justice courses, remedial English and remedial mathematics courses.

Santa Clara University only accepts University of California transferable courses. In addition, SCU does not allow the following City College of San Francisco UC transferable courses to transfer for credit: Academic Achievement, some Administration of Justice, Botany, Child Development and Family Studies, Architecture, Commercial Law, Culinary Arts and Hospitality, Design, EMT, CNIT, ESL, Fashion, Learning Assistance, Ornamental Horticulture, Paralegal/Legal Studies, Physical Education, Physical Education Athletics, and Supervision courses. To view all City College of San Francisco College's UC transferable courses, visit www.assist.org. UC transferable courses not listed in this guide and not listed above as excluded will be accepted as elective units. Transfer credit evaluations for individual students are completed after admission to SCU. However, the following information will help students evaluate their own course work.

FOUNDATIONS Core requirements

Critical Thinking & Writing 1 and 2 Core Requirement:

To fulfill the Critical Thinking & Writing 1 and 2 Santa Clara University Core requirements, a student must complete one course from the Critical Thinking & Writing 1 course list, and one course from the Critical Thinking & Writing 2 course list below. If both requirements are not satisfied prior to enrollment at SCU, students who have completed fewer than 30 semester units (or 44 quarter units) of transfer credit will be required to take the 2 quarter course sequence at SCU. Students who transfer with 30 or more semester units (or 44 or more quarter units) of transfer credit and have fulfilled the CTW 1 but not the CTW 2 requirement will be required to complete an additional course at SCU to satisfy the CTW 2 requirement.

SECOND LANGUAGE

Options to satisfy Second Language core requirement at SCU:

- 1) A student must successfully complete the second semester course of a first-year college level Foreign Language. Students may take a language not offered at SCU (i.e. American Sign Language) to fulfill this requirement as long as they successfully complete the requirement prior to enrollment at Santa Clara University, or
- 2) If a student received a 4 or 5 on an AP Language exam that is accepted at SCU, or a 6 or 7 on a Higher Level IB Foreign Language exam, the Second Language requirement will be satisfied. . Refer to the AP/IB Chart located in the current SCU Undergraduate Bulletin at: <http://www.scu.edu/academics/bulletins/undergraduate/> for course equivalencies. Students are responsible for submitting the appropriate AP CollegeBoard or IB Report at the time of acceptance to receive such credit, or
- 3) Once admitted to SCU, a student can satisfy this requirement by demonstrating an equivalent level of proficiency through an intensive examination arranged through the Modern Languages department at SCU. Access detailed proficiency exam information at: <http://www.scu.edu/cas/modernlanguages/languagerequirement/index.cfm>

Note: Students accepted in the School of Engineering are not required to fulfill the Second Language requirement. However, if a student is admitted in the School of Engineering and decides to change schools after enrollment, the student will be required to fulfill the Second Language requirement at SCU.

When an ARC course does not have a direct SCU course equivalent, but fulfills the Core second language requirement, a transfer credit (TRCR) code of TRCR 33 is assigned.
