**TRANSFER CREDIT ACCEPTED:**

SCU does not give transfer credit for P/NP, CR, S, or courses with a grade of C- or lower. Grades are not transferable to SCU, only units.

The following courses are not transferrable: most first-year seminars, internships, professional development courses, independent study courses, workshops, most physical education courses, remedial English and remedial mathematics courses.

Santa Clara University only accepts University of California transferable courses. In addition, SCU does not allow the following Evergreen Valley College UC transferable courses to transfer for credit: Athletics Intercollegiate Men and Women, some Counseling, most Kinesiology, and most Physical Education courses. To view all Evergreen Valley College's UC transferable courses, visit [www.assist.org](http://www.assist.org). UC transferable courses not listed in this guide and not listed above as excluded will be accepted as elective units. After acceptance, students may petition a course that received elective credit to be evaluated, and if approved, fulfill a Core and/or major requirement. Transfer credit evaluations for individual students are completed after admission to SCU. However, the following information will help students evaluate their own course work.

# FOUNDATIONS Core requirements
