

Enthusiasm Points

All ongoing opportunities to earn Enthusiasm Points will occur until Wed Oct 24th at 5pm.

Indication of receipt: a “like” or “favorite” by @sustainablescu on Instagram, Facebook, or Twitter indicates your enthusiasm points have been counted. Any snapchats that receive a screenshot will be recorded. Look for a “thank you!” response to indicate your emailed points have been recorded.

Event	Date	More Info & Ways to Submit	Points Awarded
Get nominated by your CF/NR	Ongoing	Rally your friends to conserve energy and attend events! Sustainability Liaisons, CF's and NR's will nominate Energy Challenge pros who enthusiastically participate in the competition.	1 nominated resident = 5 points (Names will be submitted to the Center for Sustainability for a chance to win raffle prizes!)
Energy-saving Selfies	Ongoing	Are you participating in the energy challenge in small ways throughout your day? Send a selfie while you save energy to the Center for Sustainability sustainability@scu.edu or on Instagram (#scuenergychallenge) OR Add us on Snapchat and Snap us a picture of you saving energy! We'll share your snaps on our Snapchat story. Sustainable_SCU	1 selfie = 1 point There is a prize for “Best Selfie” during the challenge!
Residents' posts on Sustainability at SCU Facebook page, Instagram, or Twitter Instagram & Twitter: @sustainablescu Facebook: Sustainability at SCU	Ongoing	How are you saving energy? What programs has your RLC put on? Share photos on social media of you or your res. hall taking part in energy saving behavior or attending a sustainability related event. Utilize our hashtags: #SCUEnergyChallenge #(YourRLC)	1 post = 10 points Bonus 30 points to the best caption at the end of the month Bonus 20 points to “most unique” photo (Names will be submitted to the Center for Sustainability for a chance to win raffle prizes!)
Residence life	Ongoing	How many events related to the	50 points per program. Extra 10 points

<p>active programming (e.g. organize a volunteer day at the Forge, organize a waste characterization)</p>		<p>Energy Challenge did your CFs, leadership team, or Community Council put on? What % of residents attended/participated? Email results to sustainability@scu.edu OR Upload photos to social media to earn more points</p>	<p>if the program takes place during the Zero Power Hour (October 1, 9-10pm) Let Nate know if you are planning an event 20 Points if the event has not been attempted before 1 point/resident (take attendance!)</p>
