### SEPTEMBER 2021

|

We are excited about our Fall Quarter line up and we will get right to that. But before we do, there are some important announcements that need to be clarified as we move forward into 2021-2022. Expected SCU mandates for being on campus can and will change weekly, and we do need to call out some important information for next quarter.

- Masks must be worn indoors.
- You will need to be vaccinated to attend classes on-campus.
- You will need to show proof of vaccination before your class starts.
- Currently, any classes scheduled to be on-campus can, at any time, be converted to a Zoom course if new mandates appear before the scheduled dates or instructors have converted their course to be on Zoom.
- There will be no refunds for courses that are converted from in-person to Zoom when the mandates are clearly out of our control. Your class will still proceed at the scheduled times and dates.

We trust that you will genuinely enjoy your OLLI classes! Stay enthusiastic and engaged, the Curriculum Committee and the OLLI staff are constantly collaborating on the program's blueprint to continue making learning an enjoyable experience for everyone.

Thank you,  
The OLLI Office
