Advisor's initials/date _____

Graduate Core Requirements, 1 course from each area:

Emerging Topics in Engineering _____

Engineering and Business/Entrepreneurship _____

Engineering and Society _____

See Chapter 4 of the current graduate bulletin for approved courses

Transfer Credits:

(All transfer credits must be approved by your advisor. Maximum transfer credits = 9 quarter units or 6 semester units. SCU BS/MS students can transfer up to 20 units from their undergraduate degree. Students who have an undergrad degree from SCU can transfer up to 12 units from their undergrad degree. The approved transfer units cannot be used toward your undergraduate degree). If you need additional room please attach an additional sheet

Institution	Course	SCU Equivalent	Grade	Units	Year

Transfer units (1 semester unit = 1.5 quarter units):..... (9 quarter units maximum)

Total SCU units: (not including prerequisite courses)

Total Units: (45 quarter units minimum)

Cumulative GPA

Graduation Requirements

A 3.0 cumulative GPA and a minimum of 45 units must be completed for graduation. ENGR 288 and 289 are additional units and cannot be applied toward your degree. Only classes with assigned grades of C- or higher will count toward the completion of your degree.

I understand that it is my responsibility:

- To ensure that institutions send official transcripts for transfer courses to the Graduate Programs Office.**
- To obtain my advisor’s approval of and signature on this program of studies and any subsequent changes needed.**
